Is Your Stomach Disordered?

If it is, indigestion naturally ensues; the kidneys become clogged with impurities that impair or atop their secretory functions; the blood is vittated and actually poisons the whole being. Rheumatism Thoroughly Cured by Dr. Williams' Pink Pills for Pale People.

There is one remedy that will cure rheumatism in any of its forms and so thoroughly eradicate the disease from the system that the cure is permanent. This remedy is Dr. Williams' Pink Pills for Pale People and the proof of the statement is found in the experience of Mr. T. S. Wagar, of No. 73 Academy street, Watertown, N.Y. He says: "The pain was in my joints and my

sufferings for over two years was beyond description. There was an intense pain in my shoulders that prevented me from sleeping and I would get up and walk the floor at night. 'When I began taking Dr. Williams' Pink Pills the improvement was gradual, but by the time I had taken four boxes I was entirely cured and I have not had the slightest touch of rheumatism since that time.' Mr. Wagar's wife is also enthusiastic

in her endorsement of Dr. Williams' Pink Pills. She says: "I have tried the pills myself for stomach trouble and have experienced great relief from their use. My daughter, Mrs. Atwood, of Gill street, Watertown, has used them for female weakness and was much benefited by them. I regard Dr. Williams' Pink Pills for Pale People as an extremely valuable family medicine."
Dr. Williams' Pink Pills cured Mr.

Wagar by driving the rheumatic poison out of his blood. As shown by the experience of Mr. Wagar's wife, they also drive out the germs of other diseases, and build up the blood to carry healing, health and strength to every organ of the body. Dr. Williams' Pink Pills have cured the worst cases of bloodlessness, indigestion, influenza, headaches, backaches, lumbago, sciatica, neuralgia, nervousness, spinal weakness, and the special ailments of girls and women whose blood supply becomes weak, scanty or irregu-The gennine Dr. Williams' Pink Pills are safe as well as effective as they are guaranteed to be free from opiates or any harmful drugs and cannot injure the most delicate system. John Mattoon, one of the oldest resi dents of the town, having passed the age of 92 years, died at his home last Saturday night from the infirmities of old age. He was a native of this town, being a descendent of the Northfield Mattoon family. He went to California in 1849, where he engaged successfully in business. After a term of years, however, he re-turned to Northfield, where he has since lived a peaceful, quiet life. He was three times married and is survived by one daughter, Mrs. Jennie Foreman of California, and his last wife. The funeral was held from his late residence on Tues-day, the body being taken to Springfield on Wednesday for burial.
